# Invitation

Dear Friends,

It gives us great pleasure to inform you that BNET (Bangalore Neuro Education Trust) is organising the Bangalore Neuro Critical Care Update from 24th - 26th June, 2016 at Sheraton Grand Hotel at Brigade Gateway, India. We expect the update to provide a comprehensive and practical insight on various Neurocritical issues to the participating delegates and will be guided by the clinical expertise, skills and research experience of the international and national faculty. Update would include Didactic Lectures, Case Discussion, Interactive Workshops, Quiz etc. Topics discussed in the update would cater to Neurophysicians, Intensivists, Emergency physicians, Neuroanaesthesiologists, and Neurosurgeons. CME accreditation certificate with 06 credit hours has been awarded to the participants by the Karnataka Medical Council (KMC). The Neurocritical care update has received endorsement by International Neurocritical Care Society, Karnataka Neurosciences Academy & Indian Society of Critical Care Medicine (ISCCM), Bangalore chapter.

Bengaluru with its unique blend of historical, architectural, cultural, food and modern cosmopolitan identity offers wide range of tourist attractions. We cordially invite you to be part of the academic deliberations during the update and enjoy the hospitality of the city of Bengaluru.
